

2016 Sponsorship Tiers

The Pink Warrior Angels is a non-profit organization founded by two breast cancer survivors diagnosed under the age of 40 who met by chance and felt extremely alone through their journey. Both survivors believed that there had to be a better way to find support and encouragement for newly diagnosed breast cancer survivors. Pink Warrior Angels was founded on the idea that no survivor should ever have to feel alone. Our volunteers (Angels) will provide different levels of support during the cancer treatment process including Chemo Comfort Bags, Mastectomy Comfort Kits, words of encouragement, financial assistance, and the knowledge gained through their own personal journey. In addition, we will provide invaluable various resources to assist breast cancer patients through their process and journey
